## Xingraphics

Melbourne Convention & Exhibition Centre

Pacprint is the Premier exhibition for the Printing and Packaging Industry in Australia. Held every four years in Melbourne it attracts exhibitors and visitors from the region and around the world.

Xingraphics are a manufacturer of printing machinery utilising world leading technology and market their machines globally. Xingraphics chose 3D Comm in a competitive tender process to design and build their exhibit based on our original bold and creative design and competitive costs.

"Thankyou so much! We were very happy with all aspects of the stand and working with 3D Comm at Pacprint. I hope we can collaborate again."

Sara Ye  
International Marketing Officer
